Top Secret Cootie Catcher Assembly Instructions

**Step 1:** Print this PDF onto any ordinary sheet of 8 1/2 x 11 inch paper.

**Step 2:** Trim the paper on dotted line as indicated (failure to do so may interfere with this device's fortune-telling abilities).

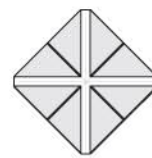

**Step 3:** With the text side facing down, fold up all four corners of the Cootie Catcher.

**Step 4:** Does it look like this? If not, go back to step one and start over. We're beginning to doubt your future career prospects in the origami field.

**Step 5:** Flip the paper over and fold up all four corners again.

**Step 6:** Does your Cootie Catcher look like this? No? Shame on you, my six-year-old niece could do better. Go back to Step 1 and start over.

**Step 7:** Fold in half as shown. Remind yourself that this process is, indeed, top secret.

**Step 8:** Place your fingers under the four paper flaps and work the device back and forth to form creases. Commence amusing your friends.
