Don't worry.  
I'm not the creepy type.  
I just think you're really swell.

When I get brave enough to ask you out, will you please say yes?

I'd like to kiss you on New Year's eve. But sooner would be better.

You're my real life crush, but I'm only stalking you online.

Top Secret Cootie Catcher Assembly Instructions

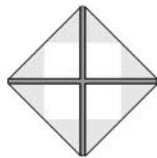

**Step 1:** Print this PDF onto any ordinary sheet of 8 1/2 x 11 inch paper.

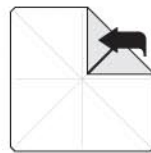

**Step 2:** Trim the paper on dotted line as indicated (failure to do so may interfere with this device's fortune-telling abilities).

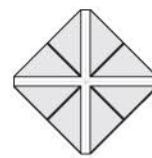

**Step 3:** With the text side facing down, fold up all four corners of the Cootie Catcher.

**Step 4:** Does it look like this? If not, go back to step one and start over. We're beginning to doubt your future career prospects in the origami field.

**Step 5:** Flip the paper over and fold up all four corners again.

**Step 6:** Does your Cootie Catcher look like this? No? Shame on you, my six-year-old niece could do better. Go back to Step 1 and start over.

**Step 7:** Fold in half as shown. Remind yourself that this process is, indeed, top secret.

**Step 8:** Place your fingers under the four paper flaps and work the device back and forth to form creases. Commence amusing your friends.
